

2017 IRRI EDUCATION LIST OF COURSES

(as of 1 Sept. 2017)

No	COURSE TITLE	DATE	DEADLINE OF APPLICATION	CONTACT
1	Basics of Rice Production	20-24 February	13 January	m.s.arboleda@irri.org
2	Safe Pesticide Use and Management	27 February-March 1	27 January	m.s.arboleda@irri.org
3	Basic Experimental Designs and Data Analysis	6-10 March	6 February	a.gulles@irri.org
4	Specialized Course on Rice Seed Production and Extension Methods (1 st offering) (JICA and PhilRice) (<i>By invitation</i>)	6 March- 28 April	6 February	education@irri.org
5	RDM 101: Basic Research Data Management	15-17 March	6 March	e.mercado@irri.org
6	Training-Workshop on Management of Bacterial Blight Rice (<i>By invitation</i>)	27-31 March	17 March	C.VeraCruz@irri.org
7	Rice: Post-production to Market	TBA	To be arranged (TBA)	m.s.arboleda@irri.org
8	Basic Scientific Writing	TBA	To be arranged (TBA)	m.s.arboleda@irri.org
9	ORYZA Training Program for Basic Applications	24-28 April	24 March	e.manalo@irri.org
10	Laser Leveling Course	8-12 May	12 April	m.s.arboleda@irri.org
11	Results-Based Monitoring, Evaluation, and Learning Course	15-19 May	12 April	m.s.arboleda@irri.org
12	Design and Analysis of Breeding Trials	9-12 May	7 April	a.gulles@irri.org
13	Rice Breeding Course	TBA	To be arranged (TBA)	m.s.arboleda@irri.org
14	RDM 101: Basic Research Data Management	21-23 June	28 April	e.mercado@irri.org
15	Training Workshop on Rice Technology Transfer Systems in Asia (<i>by invitation</i>)	26 June-7 July	28 April	m.s.arboleda@irri.org
16	Scientific Writing Workshop	17-21 July	23 June	m.s.arboleda@irri.org
17	Rice: Research to Production	14 August-Sept 1	28 April	m.s.arboleda@irri.org
18	Specialized Course on Rice Seed Production and Extension Methods (2 nd offering) (JICA and PhilRice) (<i>By invitation</i>)	31 July-22 September	7 July	education@irri.org
19	RDM 101: Basic Research Data Management	22-24 August	24 July	m.s.arboleda@irri.org
20	Communication Skills Course	29-31 August	31 July	m.s.arboleda@irri.org
21	Quality Breeder and Foundation Seed Course (JICA)	11-29 September	4 August	education@irri.org
22	RDM 101: Basic Research Data Management (IRRI participants only)	20-22 September	21 July	e.mercado@irri.org
23	Ecological Management of Rodents, Insects and Weeds in Rice Agro-Ecosystems	25 September-6 October	18 August	m.s.arboleda@irri.org
24	MB 201:Molecular Breeding for Transforming Product Development	2-14 October	8 September	m.s.arboleda@irri.org
25	SNP Data Analysis	9-13 October	8 September	m.s.arboleda@irri.org
26	RP101: Rice Production Basics	16-20 October	8 September	m.s.arboleda@irri.org
27	Research Proposal Writing	16-20 October	8 September	m.s.arboleda@irri.org
28	RDM 101: Basic Research Data Management (PRISM) (<i>By invitation</i>)	17-19 October	18 August	m.s.arboleda@irri.org
29	Breeding for Drought Tolerance in Rice (<i>by invitation</i>)	23-27 October	30 June	m.s.arboleda@irri.org
30	Advanced Applications of ORYZA in Rice Research	06-10 November	8 September	e.manalo@irri.org
31	Climate Change: Climate Smart Villages	13-17 November	15 September	m.s.arboleda@irri.org
32	RDM 101: Basic Research Data Management (IRRI participants only)	15-17 November	15 September	e.mercado@irri.org
33	Climate Change: Mitigation	4-8 December	6 October	m.s.arboleda@irri.org
